Once you have the answers to the above questions, please call us at 847 577-0904 and provide us with that information. We will then be able to estimate your out-of-pocket expense for you. Sometimes it is hard to know what to ask the insurance company so hopefully having a list of specific questions helps make it a little easier to get that information from your insurance carrier. If you have any difficulty obtaining answers to these questions, please give the insurance representative our telephone number 847 577-0904 and ask them to conference us in on your call so we can help you while you are still on the line with them.
