Areas impaired at school: _____

Family/Other factors

Who lives in the home?

Does the child have problems with one parent over the other?

If divorced, what is the custody arrangement and how does this seem to affect the child?

Have there been any recent traumas, losses, or changes in the child's routine?

What are the primary methods of discipline?

Are the rules and consequences well known in your home?

How long have you consistently enforced a discipline plan?

Are there caregivers who interfere with your discipline plan?

Friends/Social

How many close friends does the child have and what do they like to do together?

When the child plays with other children, is it interactive, imaginative, parallel?

Other information which you think is relevant? (History of abuse, DCFS involvement, history of being bullied, etc)
